

Warranty: All Body Armor products are warranted to be free of defects in material and workmanship prior to shipping and/or installation. Any alterations or improper use will void this warranty. Body Armor products are built and sold for off-road use, and as such, users of said products assume all liability in the application and use of said products. This warranty is non-transferrable. Body Armor's limit of liability under this warranty is to repair/replace a given product at Body Armor's option. Consequential costs such as, but not limited to, labor fees, loss of use, loss of time, and/or freight charges are not covered. Product(s) that have been abused, altered, incorrectly installed or used in competition are void of said warranty. The finish is warranted from manufacturer defect for a period of 60 days from date of purchase. Surface rust can occur and is not considered a manufacturer defect. Routine maintenance is the responsibility of the user and will preserve the finish of our bumpers.

Warranty Procedure: Contact your Body Armor Distributor or Body Armor directly regarding any issue prior to removing product from vehicle. If it appears said product is warrantable, you will be given a Return Authorization Number (RA #) and asked to return said product freight prepaid. The RA # must appear on the outside of the carton/box of any returned product. Unauthorized returns will be refused. RA # must be given by Body Armor in advance of return.

Product Disclaimer: Buyer assumes all risk and liability whatsoever from the installation and use of Body Armor products. Vehicles equipped with supplemental restraint systems (air bags) deployed by impact should not be modified in any way by any aftermarket product without first consulting the vehicle manufacturer. In the event of a collision or rollover, Body Armor assumes no liability whatsoever for loss, loss of use, injury, loss of life and/or incidental or consequential damages.
